DEDICATION OF THIS GAY SATANISM VISUAL ARTS MAGAZINE SATANART #26.....	13
Image 2501. A hybrid of the old Kremlin fart V.V. Putin and the historical psychopath A. Hitler.....	14
Image 2502. Psychopath Vladimir Putin, crossed with the fairytale character Koschei the Deathless, lies from the podium	15
Image 2503. Half of Putin's face is where a person's brains usually are. Psychopath Putin only engages in nastiness and lies. Perhaps his brain is like that, or he completely lacks the external spirituality of the External Information Field (EIF).	15
Image 2504. Vladimir Putin's crutches are the Christian sect of the Russian Orthodox Church and the power of the regime's guards—police, military, security officers, and guards. Lies and violence, in other words, are his sturdy foundations.	16
Image 2505. Upyr (Vampire lord) Vladimir Putin feeds on the blood of Russians themselves, but he's not above the blood of neighboring nations. The Kremlin's chief vampire, Putin, in his hybrid vampire form.	17
Image 2506. Adik, look how I can! Putin's massacre of Russians in SWO-war is similar to Adolf Hitler's decimation of the German people during World War II. It's not just the peoples the dictators attacked who suffer, but also their own populations, who were promised greatness.	18
Image 2507. Vladimir Putin got Botox, but forgot to powder. Putin's face without powder or makeup.	19
Image 2508. There's no point in trying to prove anything to psychopaths. These freaks only understand the physical elimination of the evil fascist organism. Psychopath A. Hitler shot himself, but Chekist V. Putin doesn't have the guts to shoot himself.	20
Image 2509. A hybrid of Vladimir Putin and Felix Dzerzhinsky. Two "great" KGB men have fused their evil heads.	20
Image 2510. "The Motherland Calls!" Painting by artist S. Skrepetsky. In green uniform, the commander-in-chief of Putin's forces, S. Shoigu, holds a Putin icon.	21
Image 2511. Vladimir Putin with a Kalashnikov assault rifle, posing as a security guard or a soldier. I'll put it this way: Putin doesn't need a Kalashnikov assault rifle to shoot himself; a small-caliber pistol is enough.	22
Image 2512. Putin loads his revolver pistol. The Kremlin rat has decided to play Russian roulette.....	23
Image 2513. Vladimir Putin's pyramid of Russian bonds: shit and vodka + a vatnik-androphagic population + boyars + a sect of the Russian Orthodox Church. A mop for the people's asses + a nuclear bomb-scarecrow for the Kremlin + the Monomakh's Cap complete the pyramid of Russian bonds of Rashism-Putinism.	24
Image 2514. Vladimir Putler dropped his mask, and Adolf Hitler lurked underneath.	25
Image 2515. Vladimir Putin's cronies are singing the praises of the Kremlin's arrogant idiot through the ballet Swan Lake.	25
Image 2516. Eat some shit, Vladimir. Chef Prigozhin feeds the ghouls Putin shit.....	26
Image 2517. "Crimea is ours"—this slogan became a source of greatness and pride for Russians. He caught the bait. .	26
Image 2518. Putin (Pynya) is afraid. Vladimir Putin's head pursed his lips. It's unclear what Putin is counting on if he knows for certain he'll end up in Hell and there he's guaranteed endless torment.	27
Image 2519. The Orthodox swastika of rashism from Putler's body.....	28
Image 2520. "What's up with the hohols?" is a meme used to describe the envy of racists towards Ukrainians.	28
Image 2521. The Kremlin's chief vampire, Vladimir Vladimirovich Putin, has gained eternal life. This time, Putin is being assisted by his offspring, i.e., his daughter. Operation "150+ Years": Putin's daughter has spearheaded a secret Kremlin project to extend the dictator's life, and has turned Putin's father into a ghoul. Go to Hell, critter!.....	29
Image 2522. Putin in a helmet with a stolen Satanist pentagram. The Kremlin fart dreams of war.	30

Image 2523. "How good things were under Stalin"—this false narrative Putin is using to revive the Neo-Soviet concentration camp for Russians. The cult of Stalin has been revived under Vladimir Putin.....	31
Image 2524. «Putin's troops» with portraits of the dictator and the words "Only Putin" with a Biden vampire doll.....	31
Image 2525. "The people impale Putin and set him on fire." A caricature of developed Putinism-Rashism.	32
Image 2526. There's Vladimir Putin inside every Russian. Putin got into Russians' heads through propaganda.....	32
Image 2527. Vladimir Putin holds a candle while Death rapes Russia in a kokoshnik. The bonds of Russia	33
Image 2528. The Kremlin's senile idiots are sniffing Vladimir Putin's dandruff. Putin's fart-like dandruff is as intriguing to the Kremlinites as the Russian Foreign Ministry's "Argentine flour."	33
Image 2529. Many people on planet Earth have the desire to punch Vladimir Putin in the face. In Hell, the Kremlin psychopath Putin will face even more brutal tortures from all the forces of Hell. A lover of grandeur at someone else's expense will not escape retribution and entropy.	34
Image 2530. Putin the Tsar's face. Suit or no suit, Putin's mug is still ugly.	35
Image 2531. Vladimir Putin's face is that of a nasty man with a brain swollen with greatness.....	36
Image 2532. Putin the Skull. This painting hung for a long time opposite the Russian Embassy in Latvia.	37
Image 2533. A caricature of Putin in the style of Cubism (I think) with elements of Soviet brutal realism.....	38
Image 2534. Putin was hanged with a yellow-and-blue Ukrainian rope and raped with a mop, as he likes to do to others. The chair bears the hallmarks of a Ukrainian "trace" in the special operation "Putler Kaput".....	39
Image 2535. "Call the paramedics!" – this is how many news blogs about the Kremlin's psychopathic patient, Vladimir Putin, begin. A psychopath with NPD is a danger to himself and to society. Straitjacket.....	40
Image 2536. "What nonsense he's talking!" is what Vladimir Putin said about his press secretary, Peskov.	40
Image 2537. A Ukrainian boy chases Putin back to Russia with a pitchfork. A cartoon about the war in Ukraine.....	41
Image 2538. My God, what an Orthodox freak. Putin is playing the role of a devout Orthodox scumbag. The Russian Orthodox Church sect is a propaganda mouthpiece for Putinism, just like the mainstream media.	41
Image 2539. Vladimir Putin instructs his press secretary, D. Peskov: "Bring me a suitcase, I want to take a shit".	42
Image 2540. Putin and the topic of shit come up often. Do you know why Putin shits in suitcases?	42

Image 2544. "It ran down my mustache, but didn't get into my mouth." Putler's prostitute, Dmitry Peskov, services Putler, mostly orally. Liar Peskov has learned to lie with his ass... maybe... who knows?	45
Image 2545. Putin's slut Dmitry Peskov is considered Vladimir Putin's mouthpiece.....	46
Image 2546. Oh, how funny it is for Putler, the Botox almost leaked out of the apples of his cheeks.....	47
Image 2547. Vladimir Putin's apple-shaped cheeks are pumped up with Botox, his pimple-like heels are getting higher	47
Image 2548. Putin has been sitting on the neck of Russians for a long time, robbing them, lying to them, mocking them	48

Image 2551. The face of the leader of the "Rashist Federation" state organized crime group on a pedestal made from a nuclear bomb.	50
Image 2552. A portrait of Vladimir Putin drawn by artificial intelligence (AI). Lots of blood.	51

Image 2554. Putin's Dreams of Stalin's Greatness. The Stalin Cult Has Been Revived in Putin's Russia	53
Image 2555. Putin sniffs the ashes of imperial Russia and gets a kick out of it. The Kremlin's hallucinations of greatness don't just happen.	53
Image 2556. Putin is destroying people's homes. The Kremlin's cannibalistic androphagous leader has destroyed many Ukrainian cities, and cities in Russia itself are in ruins, as if they had just been in a war, but without the war.	54
Image 2557. The occupied territory of planet Earth is captured by cannibalistic androphags with delusions of grandeur.	54
Image 2558. Kremlin farter Putin went out into the fresh air to fart in front of the journalists-prostitutes.	55

The symbol of the Antichrist Slut Sodomia. The Latin letter Z is the basis of this symbol and serves as a shorthand substitute for this symbol.

PREFACE

The theme of SatanArt #26, a collection of visual satanic art, is the face of Vladimir Putin, the leader of the Kremlin's organized crime group "Rashist Pederation." The title of the collection of photographs and artwork, "Vladimir Putin Kaput!", is a reference to the phrase about Adolf Hitler—that is, another psychopath who dreamed of greatness, national unity, and Nazi supremacy in our world.

A funny cartoon of Putin handing out a dose of greatness to Russians.

Now, the Antichrist Slut Sodomia will tell you about the role of V.V. Putin, from a Satanic perspective. As many witnesses and commentators have noted, the villain Putin has a pathological fear of death and Hell, so Putin knows roughly what awaits him there. In our world, V.V. Putin has the power to do nasty things and has firmly dug his teeth into the necks of dear Russians, sucking their lifeblood, blood, and money, brainwashing them with propaganda, and stupefying them with lies, all under the guise of pseudo-grandeur. From a Satanic perspective, the bald freak Putin himself is of little value, but this scoundrel exposes the critters of evil and, for the amusement of the forces of Hell, hands over an entire sea, millions of Russians who have succumbed to evil. This is what Putin does in our world. One could say that Putin is fulfilling Satan's will in exposing the evil of degenerate Russians and liberating conscious Russians from the haze of evil (such people are few, but all are valuable). Putin is handing over to the forces of Hell for Satan's amusement and torture in Hell not only his own stupid Kremlin farts, military men, cops, and bureaucrats, but also millions of Russian critters who support the atrocities and lies of Putinism and racism. Therefore, Putin is not yet in Hell, but he continues to recruit Russians for the amusement of Satan, Demons, the Antichrist, and Satanists in Hell. Don't even think

that a Kremlin pimple like Putin can deceive or trick Satan. The exposure of evil continues, the cleansing of the earth from the evil of racism is gaining momentum, and soon the Russian-occupied land, the so-called "Russia," will be divided among other peoples. Of course, Putin is merely Satan's puppet and a means of exposing evil.

Please don't call Vladimir Putin a Satanist, the Antichrist, or even Satan. Vladimir Putin is a vile, evil-maniac, evil incarnate. Satan is the Tamer of Evil and the vengeance of evil. The best method of defeating evil in Satanism is for one evil to expose another, and one evil to destroy another. Vladimir Putin is doing this well, which is why this psychopath is not yet in Hell, although all the forces of Hell are certainly waiting for him there for endless torture. In this whole story, it's a little sad that good people are dying. Yes, during the war against evil, innocent and good people perish. The Antichrist is more concerned not for ordinary people, but for Satanists – Satan's immortal messengers into our world. The Antichrist, Slut Sodomia, doesn't want Satanists to suffer from evil. It's important to understand that there are as many villains like Putin in our world as there are **State Organized Crime Groups (SOCGs)** that have divided the planet into spheres of influence and are milking the blood and money of gullible citizens and subjects.

Yes, Satanists love to have fun, love to fuck, love to live well, and strongly dislike evil. Gay Satanists consider themselves part of the LGBTQ+ community, just like the Antichrist, Slut Sodomia himself. To eradicate evil, ordinary mortals—not Satanists or LGBTQ+ people—die and suffer through the forces of evil itself. The main reason for this is the overpopulation of our world. If you don't want this to happen, stop reproducing; reproduce only consciously. Planet Earth will soon be overpopulated 100 times! Now, in 2025, it is already overpopulated 80 times. The more unconscious human offspring there are, the eviler there is—the more its victims there will be. You can read more about the overpopulation of planet Earth and about humans as a fertile breeding ground for evil in the gay Satanism grimoire "Gay Lust" and in the specialized SatanArt album #23 "Overpopulation. Childlessness. Antinatalism. Anthropogenic Pollution of the Earth with Excess Human Offspring." These publications from the Antichrist Slut Sodomia can be found online as PDF e-books and video presentations of the SatanArt album on YouTube.

Vladimir Putin himself is a cowardly little bastard who constantly commits the following nasty acts, both against Russians themselves and against neighboring peoples of planet Earth:

1. V.V. Putin constantly lies.
2. V.V. Putin constantly steals, robs, embezzles, and misappropriates.
3. V.V. Putin constantly engages in Nazism and fascism.
4. V.V. Putin constantly murders people.
5. V.V. Putin constantly organizes atrocities.

Yes, many journalists, bloggers, political scientists, and analysts of planet Earth have already noted that V.V. Putin lies the moment he opens his mouth. V.V. Putin lies constantly, on every issue, and he does so in the manner of psychopaths and people with NPD (narcissistic personality disorder)¹. Certainly, the evil known as Putin is a psychopath, a maniac, and a mentally ill person who has seized control of the grandeur of his hallucinations on a tsarist scale. Of course, psychiatrists can provide a more precise diagnosis of the Kremlin ghoul's mania and psychopathic personality disorder, but for the Antichrist, this understanding of the essence of the leader of the "Russia" criminal group is sufficient.

¹ There are many YouTube videos explaining the lies of psychopaths and people with NPD. These critters lie with abandon and enthusiasm. It may come as a surprise to many readers that such people are common in our world. Vladimir Putin is a psychopath; this critter is not unique in his diagnosis, but in terms of his ability to harm and inflict nastiness on people, this critter is second only to Adolf Hitler (as of 2025).

Vladimir Putin constantly inflates the pseudo-greatness of both Russians themselves and the global significance of the "Russia" criminal group. If we're talking about Russia's so-called "greatness," then yes, the savage Russians have seized a vast territory of planet Earth, occupied neighboring indigenous peoples, and now boasted of their occupation of this territory while practicing imperial Nazism. Here, it's important to note an important aspect of the Russian occupation of a vast territory, part of planet Earth:

Russians and the **State Organized Criminal Group (SOCG)** "Russia" have turned this vast territory into a concentration camp, where people are treated like cattle, who give birth to cattle like themselves, bred with the genes of alcoholic degenerates and cursed with the curse of androphagic cannibals.

Russians and the SOCG "Russia" have polluted this vast territory with their drunken, soulless cattle, and other peoples are unable to use the Earth's territory rationally and effectively for their own lives. The entire territory of Russia has been reduced to ruins, and only a few large Russian cities (Moscow, St. Petersburg) are more or less pleasant to live in. I emphasize that this has been achieved by plundering and devastating the rest of the so-called "Russia."

Russians and the SOCG "Russia" use their vast territory to wreak havoc on neighboring peoples, tribes, and civilizations. This is what the SOCG "Russia" has always done, from the time of the Tatar-Mongol raids, the Golden Horde, the Tsars, and the Soviet concentration camps of the USSR.

Russians and the SOCG "Russia" constantly commit atrocities not only against neighboring peoples, but also against their own compatriots. Within the so-called "Russia," Russians devour each other like cannibalistic bedbugs. The most prominent Russian cannibalistic bugs sit in the Kremlin, the Russian Duma, and the Russian government, while all the other Russians contribute their blood, money, or slave labor for pennies.

Russians and the SOCG "Russia" have entered into a symbiotic relationship and a mode of cultivating evil ideas, where people engage in evil together, in a patriotic frenzy of their pseudo-greatness and the traditional values of Russian evil. LGBT people and Satanists have been equated with criminals and enemies of society, while war criminals are glorified in schools, kindergartens, and at racist rallies. War criminals, murderers, and sadists teach patriotism and spirituality to the young Russians in various educational institutions of the so-called "Russia." Putinism deploys vicious Z-propaganda in all available media, especially through the televisions of Russian "scum".

Russia's example shows that the Kremlin's evildoers fear Satan, Satanism, and the forces of Hell. Now, in 2025, gays, Satanists, and witches are banned in Russia. The following are officially banned and considered extremists, i.e., criminals:

1. The international LGBT social movement has been banned by the Russian criminals of the "Rashist Federation" organized crime group.
2. The international Satanism movement has been banned by the Russian criminals of the "Rashist Federation" organized crime group.
3. The Kremlin sect of the Russian Orthodox Church has declared war on the Antichrist, as the sect's leader, Patriarch Kirill (Vladimir Gundyayev), has stated many times. The Antichrist, Satan, and all the forces of Hell are the main enemies of the Russian androphagic degenerates. This is not surprising, because Satan embodies splendor, delight, development, science, and the highest form of consciousness. The ROC sect embodies degradation, herd mentality, stupidity, dogma, and the worship of evil.

In the next part of the introduction, Antichrist Slut Sodomia will tell the reader about the astonishing discovery of his letter symbols on the insignia of Putin's army, which invaded Ukraine in 2022. I don't know which of the Rashist leaders came up with the idea of using the Latin letters Z and V as identification marks, but Putler certainly approved. It's possible that Putler, the bald-faced leader of the Rashists, himself came up with the idea of using the Antichrist's symbols to mark his orcs. I inform the reader that Antichrist Slut Sodomia has had "his own letters and numbers" for quite some time now; here they are:

Z V 7

The Antichrist associates the Latin letter Z with a scythe, an hourglass outline, and Zorro's symbol of vengeance, which he inflicted with his sword. Slut Sodomia has always considered the Latin letter V to be her symbol—it's a hand gesture representing Victory or the horns of Satan. The number 7 (and any numbers composed solely of this number—77,777,7777, etc.) is the Antichrist's numeral and a numerical substitute for the Latin letter Z.

Imagine the Antichrist's surprise when I saw "my letters" Z and V on the uniforms of the Rashists, on the equipment of the Putinists, and on the visual Russian propaganda of fascism and war hung all over Russia. I can't say the same about the number 7; as far as I know, the Rashists don't use the number 7 in their symbols. You know, at first, I was perplexed, amazed, and outraged at the Russians for choosing to emblazon my two letters on their military hordes, who bring death to people and commit evil. I didn't understand why this had happened or who had suggested these Russian degenerates use "my letters" as identification marks. There are countless signs, numbers, and letters in the world that the Putinists could have used... but no—they had to use the letters of the Antichrist. Why they didn't use the traditional Russian alphabet is also unclear.

Then, very gradually, it began to dawn on the Antichrist Slut Sodomia, that these were symbols of the black magic of Satanism, imposed on the damned soldiers of the Russian Federation. Now, I understand that black magic was cast on the military orcs of Mordor in the form of the Latin letters Z and V, and this signifies the collapse of this evil not only in military terms, but also in the general understanding of the "black mark" that pirates give to a guilty scoundrel². The Putinists have themselves imprinted the symbols of the Antichrist, the

² [https://ru.wikipedia.org/wiki/Чёрная_метка_\(знак\)](https://ru.wikipedia.org/wiki/Чёрная_метка_(знак)) Wikipedia. Black Spot (sign). A black spot (German: "Der schwarze Punkt") is a pirate attribute denoting an accusation of violating the charter, rules, regulations, and customs of the Brethren of the Coast, brought by a pirate community (or individual pirates) against one of its members (or group of

Great Magician of Satan. The Antichrist Slut Sodomia, has never previously disclosed "his letters and his number," so in this issue of SatanArt #26, I'm doing so for the first time. Of course, I'm not afraid that the rashists will find out about this. Satanic black magic works in such a way that critters and evil cannot influence the black magic cast by Satan, and the rank of the Antichrist presupposes that even other Satanists cannot influence this magic, somehow aiding evil.

Of course, the Antichrist is completely opposed to the rashists; he gave them no advice on how to apply "his symbols" to their banners, uniforms, or equipment—that's logical. I don't know for sure who cast such black magic on the rashists. I can imagine that it was directly cast by Satan. This is my assumption, and I'm not sure of it, because black magic created by Satan isn't like a sign on a store counter with a precise attribution of the price and product name. It lacks such precision or certainty. However, the imposition of the Antichrist's signs in the form of black magic on the cursed evil of racism worked remarkably well. The Russians outnumbered the Ukrainians tenfold, but they were routed, and the superior forces of the racist-Putinists were destroyed at the very beginning of the war, and for four years now. Of course, the credit for this goes primarily to the Ukrainians themselves and their heroic resistance to the evil of Mordor. But black magic works no worse than politics, diplomacy, propaganda, or the internet. These terms and phenomena have no tangible physical form, but they exert an informational influence on events, people, nations, and wars. You may not believe in Satanism's black magic against evil, but you can't deny that informational influence on physical processes exists in our world and that it truly works. Of course, the powers of Satanism lie beyond our everyday reality, and I can't prove that Satanism's black magic and Satan have helped or are helping Ukrainians destroy the evil of racism. However, I can tell you with certainty that Putin, the racists, and Putinists fear Satan and fear Satanism, as Kremlin propaganda constantly asserts. If you think this is a coincidence, feel free to hold your own.

You can consider my story a fictional tale about Satan, Satanism, and the Antichrist Slut Sodomia, helping Ukraine. I have nothing against it, and I don't want to prove otherwise. Perhaps this is simply a coincidence in the racists' use of the Antichrist's symbols. But let me tell you this: even rain, snow, and wind in nature occur not by chance, but as a matter of course. Is it really a coincidence for the Anti-Satanists to use the Antichrist's letters in their markings? You can chalk it up to chance, whatever you like.

Here's a quote from Wikipedia about the use of the Z and V symbols by Russian fascists:

Since late February and early March 2022, the symbols "Z" and "V" have become widely used to support Russia's invasion of Ukraine, with "Z" being used more frequently and often compared to a swastika. The state (the "Russia" organized crime group) sponsors "Z" flash mobs on social media, with the letter being emblazoned on clothing, buildings, and vehicles. Criminal cases are being brought against those who oppose the use of "Z" in Russia. By early 2023, the "Z" and "V" symbols began to lose popularity and are mainly used only by the most radical supporters of the war. At the end of the year, relatives of mobilized soldiers used the symbols in a flash mob calling for the return of their husbands and relatives fighting in Ukraine.

The letter "Z" is used to replace the Cyrillic letter "З." This symbol is not only conveyed on its own but is often accompanied by an additional aspect, for example, in the slogan "For victory, for ours." It is believed that when used in such a slogan, the letter "Z" imbues its meaning with patriotic significance. "Z" aims to evoke feelings of patriotism, loyalty, and duty, as well as to distinguish between "us" and "them." "Z" is often colored in the colors of the St. George ribbon. In the language of the Russian opposition, this letter symbol has a distinctly negative connotation. Z itself is considered a linguistic unit, a word with a specific meaning ("Z-music," "Z-

pirates). The term and concept of "black spot" were first coined by Robert Louis Stevenson in his novel *Treasure Island* (1883). It has subsequently been repeatedly used in literature and film as an element of pirate society.

ideology," "Z-aesthetics," "Z-singers," etc.). Public display of the "Z" sign in support of the actions of the Russian army is prohibited in Estonia, Ukraine, Moldova, Lithuania, Latvia, and several German states³.

I like this "Anti-Fascist Resistance" logo, which shows that the racists have stopped using the letter Z; this letter belongs to the Antichrist, not your horde. Of course, this anti-racist sigil has a direct meaning: Z-orcs will not pass, or Putin's Z-orcs are forbidden entry. The Anti-Z banner is approved by the Anti-Christ. The sigil text can be translated into other languages if necessary for practical use. The original is written in Russian. Now the reader knows that the symbols of the Antichrist were used by the racists, and they paid for it with the curse of Satan's black magic. Yes, this is exactly how black magic works—it's a kind of splitting of meaning, misleading evil, and is the embodiment of quantum uncertainty for the forces of evil. Where Satan, Satanism, the Antichrist, and LGBT+ people are banned, fascism, totalitarianism, unfreedom, and prohibitions on others from enjoying many things are born. Therefore, this anti-fascist symbol can be interpreted as follows: darkness surrounds the ban on the Antichrist's symbol, the letter Z, and amid this darkness, the words "Anti-Fascist Resistance" emerge. As you can see, black magic can be explained in words, and the crossed-out Antichrist symbol is not a banal and unambiguous sign of rejection of the concept.

DEDICATION OF THIS GAY SATANISM VISUAL ARTS MAGAZINE SATANART #26

Antichrist Slut Sodomia dedicates SatanArt #26 to the fight against Russian evil, which has occupied a significant portion of planet Earth and is engaged in furthering its evil, degrading the territory and population in the occupied territories. Russia's area comprises approximately 11-13% of the planet's total land area, and this territory has been seized by imbeciles and degenerates, led by the Moscow-Kremlin tsar-presidents. Currently, the leader of the "Rashist Pederation" criminal group is Vladimir Putin, who continues the work of both the tsars and the Soviet security officers. I dedicate SatanArt #26 to Vladimir Putin's face. Look at Putin's face and marvel at how this Putin face was able to dumb down millions of Russians, destroy the economy and people's lives, rob all Russians, implant delusions of self-importance into their minds, out of thin air, and turn empty-headed people against Satan, Satanic spirituality, and the LGBTQ+ community. Let Putin's face, illustrated by SatanArt #26, and commented on by the Antichrist Slut Sodomia, be a reminder of who Vladimir Putin is and how easily a single psychopath with NPD can orchestrate a mass military-imperial psychosis among millions of unilluminated people. Russians don't resist evil, Russians rejected Satanic spirituality, and Putin exposed millions of Russian degenerates. This is good for Satanism and the forces of Hell.

Image 2505. Upyr (Vampire lord) Vladimir Putin feeds on the blood of Russians themselves, but he's not above the blood of neighboring nations. The Kremlin's chief vampire, Putin, in his hybrid vampire form.

Vladimir Putin is often popularly called an upyr. An upyr, also known as a vurdalak, vampire, or bloodsucker, is a common Slavic mythological figure, a pawn of the dead that rises from the grave at night; it harms people and livestock, drinking their blood, and causing damage to the economy. Belief in ghouls was most widespread in Southern Rus' (modern-day Ukraine). They were believed to cause famine, pestilence, and drought. The upyr roughly corresponds to the vampire in Western European mythology and shares many similarities with the vurdalak in East Slavic tradition; however, in the 19th century, these characters were clearly distinguished. According to legend, a ghoul could be killed by piercing its corpse with an aspen stake. If this failed, the corpse was usually burned. Vampires were believed to cause pestilence, crop failure, and drought ⁴.

On June 25, 2024, the International Criminal Court (ICC) in The Hague issued arrest warrants for former Russian Defense Minister Sergei Shoigu and Chief of the Russian General Staff Valery Gerasimov on charges of attacking civilian targets and civilians in Ukraine. The ICC accuses Shoigu and Gerasimov of war crimes and crimes against humanity. Shoigu served as Defense Minister from November 2012 to May 12, 2024, when Putin transferred him to the post of Secretary of the "Security Council."

A hereditary nomadic herder, Shoigu is a man of no particular talent. He would have lived somewhere on the banks of the Yenisei River if his father had not been Secretary of the Tuva Regional Committee of the Communist Party of the Soviet Union and later First Deputy Chairman of the Council of Ministers of the Tuva ASSR. It was under the leadership of war criminal Shoigu that the seizure of Crimea, parts of the Donetsk and Luhansk regions, and subsequently the large-scale invasion of Ukraine took place. Shoigu is undoubtedly the second defendant, after Putin, to be indicted by the International Criminal Court for serious war crimes committed by Russia on Ukrainian soil.

Image 2511. Vladimir Putin with a Kalashnikov assault rifle, posing as a security guard or a soldier. I'll put it this way: Putin doesn't need a Kalashnikov assault rifle to shoot himself; a small-caliber pistol is enough.

Image 2512. Putin loads his revolver pistol. The Kremlin rat has decided to play Russian roulette.

Russian roulette (Russian: Ру́сская рулётка, romanized: Rússkaya rulétka) is a potentially lethal game of chance in which a player places a single round in a revolver, spins the cylinder, places the muzzle against the head or body (their opponent's or their own), and pulls the trigger. If the loaded chamber aligns with the barrel after cocking (with a single-action revolver), or is in the position which will be rotated to the barrel upon pulling the trigger (double-action), the weapon fires. An early example of Russian roulette can be found in the short story "The Fatalist" from the 1840 novel "A Hero of Our Time" by Russian poet and writer Mikhail Lermontov ⁵.

People suspected Pynya of wearing these safety shoes when strange creases in his trousers were noticed in photographs and videos. This life hack for heads of state wasn't invented in Russia: Pynyakhody was already worn by Louis XIV.

Russian President Vladimir Putin is a historical double of Adolf Hitler, the leader of Nazi Germany. They share not only geopolitical goals but also the tone of their speeches. A court in Omsk, Russia, has banned memes comparing dictator Vladimir Putin to Nazi Germany's Adolf Hitler, claiming they "incite terrorist activity." In some cases, the ban included photoshopped images of the president's moustache and hairstyle, similar to Hitler's. Specifically, images from the film "Hitler Kaput" were also banned for this reason. In other cases, the court banned photos containing the caption "Putler kaput." The court also banned a photograph by blogger Ilya Varlamov depicting a woman holding a sign that read "Putler, drink poison before you're treated to lead." The court also banned a page on the website Stihi.ru that featured an image of Putin holding a revolver to his head and the caption "How to save Russia from shame" ⁶.

Dmitry Peskov has served as Vladimir Putin's press secretary since 2008. In this position, he played a key role in propaganda and disinformation campaigns aimed at covering up the Kremlin's involvement in the 2006 poisoning of former Russian intelligence officer Alexander Litvinenko with polonium, the 2018 assassination attempt on former Russian military intelligence officer Sergei Skripal and his daughter Yulia with the Novichok nerve agent, and the 2020 attempt to use Novichok against Russian opposition leader Alexei Navalny. In each of these cases, the Kremlin's disinformation was debunked by official and independent sources, which placed responsibility squarely on the Kremlin. He has become wealthy in Putin's employ: having dedicated his entire life to public service, Peskov and his family have become multimillionaires ⁷.

For many years, Putin's power has rested on three pillars: propaganda, war, and the assassination of political opponents. In recent years, numerous critics of Putin's inner circle have been assassinated or died under unclear circumstances. The death of Putin's Russian opponent Alexei Navalny in a Siberian prison camp and of helicopter pilot Maxim Kuzminov in Spain, who defected from Russia, further demonstrate that opponents of Russian dictator Vladimir Putin and his ruling elite often die unexpected and unnatural deaths. The origins of the victims are as varied as the causes of death. The number of suspicious deaths among Russian business leaders has risen sharply since Russia's invasion of Ukraine. Vladimir Putin himself was a KGB and FSB officer. He bases his power, in part, on the secret services.

During his student days, Russian President Vladimir Putin was considered a "gray mouse." He was best described by the nicknames he was given during his studies and work. The first was "cigarette butt," the second was "pale moth," said Putin's classmate, Yuri Shvets. Now, in 2025, Slut Sodomia considers the most appropriate names for Vladimir Putin to be:

1. Bunker Grandfather, also known as Grandfather or Bunker Grandfather.
2. Botox Grandfather, or Botox, for Putin's extensive use of rejuvenating injections and facial plastic surgery.

Image 2569. The letter Z is written in blood on the forehead of the degenerate criminal Vladimir Putin.

At the beginning of the war, the letter Z on Russian military equipment denoted only its military district affiliation. But within a week, Kremlin propagandists had made it a symbol of the war against "Banderovites, Nazis, and shaitans." Following this, a wave of government-organized flash mobs swept across Russia. The Russian language was filled with mutant words: "Za mir," "Za pravda," "ZaPatsanoV," "Zaenchivaem voyny," "KuZbass," and "Zabaikalye." Children's hospice patients and their parents formed a Z-shape in Kazan. In Yakutia, this letter was "built" out of reindeer, and eggs from a local poultry farm were stamped with the Z-shape. Russia, which has its own "path," doesn't need the association with the swastika is obvious. Z appears in the words naZi and naZism. In Russian, the word "ziga" denotes the Nazi salute. Behind this symbol lies a frustration that is unconscious and unspoken in Russia. "Everything that's happening is wonderful, and we will undoubtedly win, but we don't know how to describe it; there are no words for it".

Image 2572. Vladimir Putin and Donald Trump are both psychopaths with NPD. Of course, Donald isn't as evil a bastard as Putin.

Narcissistic personality disorder (NPD) is a psychopathological condition characterized by a sense of grandiosity, inflated self-esteem, a need for admiration, and a lack of empathy. Men and women affected by NPD may exhibit certain symptoms and signs. These signs impact their personal and professional relationships. The main symptoms of NPD include: An inflated sense of self-importance. People with NPD feel grandiose. They tend to exaggerate their achievements and talents. They consider themselves unique and worthy of special treatment, even when there is no objective reinforcement. They demand admiration, either implicitly or explicitly. They need constant confirmation of their importance and experience intense disappointment if it is not received. People with NPD are often unable to perceive the feelings and needs of others. They do not care what others feel. They are often jealous of others' successes and believe that others are envious of them. The grandiose fantasies of psychopaths with NPD manifest in dreams of boundless success, power, beauty, and the perfect life. Exploitation of others is another important aspect of NPD. People with this disorder often use others to achieve their goals, without regard for the consequences for those they involve in their plans. This can manifest itself in manipulative behavior, a desire to control the situation, and gain benefits at any cost.

After his death, Vladimir Zhirinovskiy, a rashist-putinist, strangely became a paragon of patriotism and strategic foresight among Russian Nazis. He was called a "political clown" and a Great Russian statist, a populist and anti-Westerner, a Jew and an anti-Semite, a misogynist and a favorite of the female electorate. Some ridiculed and despised him, others admired him, and jokes were made about him. Zhirinovskiy was a gay traitor who worked for the Putin regime for many years, spreading ideas of a "Russian world" and war. Ukrainian historian Alexander Paliy has shed light on the biggest and most terrifying secret in Russian history. It turns out that Russians have already scoured the English Wikipedia and removed all primary sources that refer to ancient Russian history and clearly indicate that Moscow was, in ancient times, a city of cannibals, or anthropophagi (in Greek). Paliy cited not only ancient historians but also another fascinating source—an apocryphal work called "The Acts of Andrew and Matthew in the Land of Cannibals," which has survived in Greek and Latin ⁸.

Image 2595. The Botox doctors told Putin he can laugh... if his cheeks can handle it. Putin is amused.

Many internet users, journalists, and medical experts believe Putin has been trying to maintain his youthful appearance for years, resorting to the services of cosmetologists and plastic surgeons. Among the procedures the Russian president may have undergone are blepharoplasty, a brow lift, filler injections in the cheekbones, and Botox injections in the area between the eyebrows, on the forehead, and in the area where wrinkles form. There have even been suggestions that Botox has also been used on his lips. Changes in Putin's appearance are also visible in photographs, especially when comparing early and later photos. Furthermore, many experts note that the Russian president's facial expressions have changed, which is a consequence of Botox injections. Putin has had plastic surgery on his upper and lower eyelids. He has also had significant hyaluronic acid injections to lift his cheekbones. This may also be related to a potential double, intended to make them as similar as possible.

Image 2596. Vladimir Putin's faces are as varied as the coloring of a cuttlefish.

A bit of an interesting conspiracy theory. There's a long-standing theory about Putin having doubles (triples, etc.), which is supported by numerous differences in Putin's appearance during public appearances. Journalists and bloggers have tracked down seven people who resembled Putin and who positioned themselves as Putin—they appeared in different places, behaved differently, and, moreover, had different appearances. The journalists emphasized the different appearances—there were "Bruise," "Udmurt," "Banquet," "Ceremonial," "Talker," and so on. All these photographs are online; no one can delete them; they are the property of the World Wide Web. The original Vladimir Putin is considered "Bunker Putin." The original sits at a long table in a bunker, is terrified of infection and death, and rarely ventures out in public, much less kisses crowds on the street.

Antichrist Slut Sodomia doesn't know how many Vladimir Putin doubles there are, but they most likely exist and are used. Of course, these doubles are no less criminal than the original "Bunker Putin." There's a highly conspiracy theory that the original Vladimir Putin has long since disappeared from our world, and his place has been taken by a psychopathic double. Slut Sodomia doesn't believe this theory, but I like it because it shows how power destroys a person's identity, giving birth to evil.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG⁹ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord

⁹ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence,

prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to

describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and it is not a paradigm. Usefulentheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help of entheogens. The External Information Field is most similar to a global multi-universe, presented as a gigantic set of information and algorithms for the interaction of this information.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers ♦ and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANART AND SATANSONGS SATANIC ALBUMS LOGOS FROM ANTICHRIST SLUT SODOMIA

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism**

and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was “in the air” with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

SatanArt - test yourself for Satanism!

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images¹⁰. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional¹¹.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are

important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container¹². This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹³.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ¹⁴. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the

comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document,

¹⁴ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

You can sell a book in any electronic format and publish it in physical form. The author asks for 20% of the cost of selling the book in electronic form and 20% of profits in paper format. Selling my book or other text, graphic, musical materials and documents from Slut Sodomia:

- this is a convenient way for sellers to make money on books;
- this is a convenient way for readers, Satanists and members of the LGBTQ+ community to support the author;
- this is a method of distributing books about gay freedom and gay love around the world;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold

embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁵. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁶. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

¹⁵ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁶ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art ♦ , without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism "Gay Lust." This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire "Gay Lust" is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism "Gay Lust" on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support the Slut Sodoma financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodoma is very glad that a wonderful alternative to fiat money¹⁷ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁸.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of

¹⁷ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁸ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The

wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action ♦ .

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
